# A SWISS ESCAPE

The setting is on the quiet shores of Lake Geneva with the Swiss Alps in the distance. There, awaiting your arrival, is CLINIC LA PRAIRIE, a centre for renewed health, vigour and youth.

It began in 1931 when famed professor, Dr. Paul Niehans pioneered Fresh Cell Therapy at CLINIC LA PRAIRIE — and since that time, the clinic's medical team continues to research and develop new and more effective techniques to combat and slow down the physical and psychological symptoms of aging. Today, noted heart surgeon Dr. Christiaan Barnard is a key member of the team that continues to carry forward Dr. Niehans' early work.

The benefits of Fresh Cell Therapy have been enjoyed by more than 65,000 of the world's most discerning men and women, with a remarkable medical record of patient satisfaction.

CLINIC LA PRAIRIE awaits you. The cost of your treatment is \$6000 with airfare and accommodations extra. Further information can be obtained by writing to:
